

Volunteer Work Projects:  **Cary Christian Center, Inc.**

ROOFING PROJECTS:

The need is great. We constantly have requests for new roofs. We need skilled people to help us!

We have at least 12 homes to be roofed, shingled and metal roofs.

**10 brick homes
approximately 23-28**

**squares of shingles with a
4-12 pitch roof.**

**2 trailer homes with metal
roof 16' x 80'**

Volunteer Manager,

Robert Jackson's recommendation: Each home is badly in need of roof repairs. Most of them suffered hail damage during a spring storm.
